Subject: Curry Farm - Phase I

Brad,

The only comment the Health Dept. has regarding the plat for Curry Farm - Phase I is if it is possible to have an easement for the property just south of the development (9324 US 42) in order to tie into sanitary sewer in the future that will service the development. The property at 9324 currently is serviced by a private on-site septic system.

Thanks!

Wyatt J. Marshall, REHS
Deputy Director of Environmental Health
Union County Health Department
940 London Ave., Ste 1100
