THEREFORE, BE IN RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWNSHIP OF UNION, LOGAN COUNTY, OHIO.

ARTICLE I TITLE, INTERPRETATION AND ENACTMENT

Section 100 Title. This Resolution shall be known and may be cited to as the “Zoning Resolution of the Township of Union, Logan County, Ohio.”

Section 101 Use of Land or Buildings for Agricultural Purposes Not Affected. It is the intent of this Resolution to be and remain in compliance with ORC 519.21 *Powers not conferred on township zoning commission by chapter.* ORC 519.21 is a statute, created and maintained by the State, which limits the authority of townships and establishes what is commonly referred to as the “agriculture exemption”. How ORC 519.21 impacts this Resolution is described herein.

This Resolution does not affect the use of any land for agricultural purposes, or the construction or use of buildings or structures incident to the use for agricultural purposes of the land on which such buildings or structures are located and no zoning certificate shall be required for any such building or structure. (Residential dwellings do require a permit however.)

There are two conditions where the agriculture exemption does not apply. 1) In any platted subdivision; and, 2) In any area consisting of fifteen or more lots approved under ORC 711.131 that are contiguous to one another, or some of which are contiguous to one another and adjacent to one side of a dedicated public road, and the balance of which are contiguous to one another and adjacent to the opposite side of the same dedicated public road. When either of these two conditions exist, the requirements of this Resolution apply to:

1. Agriculture on lots of one acre or less; and,
2. Buildings or structures incident to the use of land for agricultural purposes on lots greater than one acre but not greater than five acres by: setback building lines, height, and size; and,

3. Dairying and animal and poultry husbandry on lots greater than one acre but no greater than five acres when at least thirty-five percent of the lots in the subdivision are developed with at least one building, structure, or improvement that is subject to real property taxation or that is subject to the tax on manufactured and mobile homes. After thirty-five percent of the lots are so developed, dairying and animal and poultry husbandry shall be considered nonconforming.

Section 110 Provisions of Resolution Declared to be the Minimum Requirements. In their interpretation and application, the provisions of this Resolution shall be held to be minimum requirements, adopted for the promotion of the public health, safety, and the general welfare. Whenever the requirements of this Resolution conflict with the requirements of any other lawfully adopted rules, regulations, resolutions, or deed restrictions, the most restrictive, or that imposing the higher standards shall govern.

Section 120 Separability Clause. Should any section or provision of this Resolution be declared by the courts to be unconstitutional or invalid, such decision shall not affect the validity of the Resolution as a whole or any part thereof other than the part so declared to be unconstitutional or invalid.

Section 130 Replacement of Existing Resolutions, Effective Date. All existing Resolutions shall, upon adoption of this Resolution, be replaced by this Resolution and this Resolution shall have full force and effect. This Resolution shall become effective from and after the date of its approval and adoption, as provided by law.
