**Subject:** Dover Twp (U) - Zoning Text Amendment

Good afternoon,

Dover Twp (U) started a zoning text amendment. This triggers a recommendation from LUC. Our committees meet on Thursday, April 10<sup>th</sup>, 2025. A link to the existing zoning resolution and map is here: <https://www.lucplanning.com/union-county-townships>.

I attached a copy of the proposed amendment to see if you have any comments you'd like our committees to consider or share. If you do not have any comments, that is perfectly fine too!
